STAT

Thank you for your letter of 7 March and the prompt return of the completed application forms for employment.

I regret that it is not ressible to provide any specific indication of proceeds for sctual employment at this time. There are a number of things solch will have to precede even a tentative determination of possibilities, witch will take some time. You may be sure, however, that we shall contact you at the earliest possible date with something a little more definite although a final determination may take from three to four months. Also, before such final determination is made, it will probably be necessary that you be available for personal interview.

Our personnel director will contact you again within the next three or four weeks. Meanshile, I wish to express my appreciation for the interest which prompted your application.

Sincerely.
